Spring Policies

- ◆ Spares will be required to pay \$5 per game. This fee is payable even if the spare was arranged directly and not via the Spare Coordinators
- ◆ Spares will be allowed to play five games at VCC as a spare. After five games, the spare will be required to pay the VCC Club fee directly to the VCC. This includes sparing in all VCC leagues. Only spares that are not members of other leagues at the VCC, or have not paid in another league will be required to pay.
- ◆ All communications with the Spares will be via email (tnlsparecoordinator@gmail.com)
- ◆ Spares will be notified of positions available by the Monday before game day at the latest (emergencies aside), and generally will receive an email the week before announcing the need for spares. The goal is to have all positions filled by Monday.
- ◆ All spares are invited to the Christmas and Year End Wrap up parties.
